1. This Office action is in response to the amendment filed June 13, 2006. Claims 1-7, 9-17, and 19-20 are pending.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tony Orsi on June 29 and July 5, 2006.

The application has been amended as follows:

Claim 1. (currently amended) A handheld electronic device configured for thumb-typing by a user, the handheld electronic device comprising:

- a) a display; and
- b) a keyboard comprising a first group of keys, a second group of keys, and a spacebar key vertically disposed in between the first and second groups of keys, wherein the first and second groups of keys are arranged into a plurality of rows, each of the plurality of rows making an angle generally between 30 and 50 degrees with respect to a longitudinal midline of the device and wherein the first and second groups of keys are located on opposite sides of the midline.

Claim 12. (currently amended) A keyboard for use with a handheld electronic device, the keyboard comprising:

Art Unit: 2612

a first group of keys;

a second group of keys;

a spacebar key vertically disposed between the first and second groups of keys, the spacebar key being contoured to mate with adjacent keys in the first and second groups of keys; and

a navigation pad disposed in between the first and second groups of keys, wherein the first and second groups of keys are arranged into a plurality of rows, each of the plurality of rows making an angle generally between 30 and 50 degrees with respect to a longitudinal midline of the device and wherein the first and second groups of keys are located on opposite sides of the midline.

3. Claims 1-7, 9-17, and 19-20 are allowed.

4. The following is an examiner's statement of reasons for allowance: The claims recites a particular keyboard layout with two sets of keys arranged in rows between 30-50 degrees from the midline of the device and having a vertical space key between the sets of keys. Such a combination is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Albert K. Wong whose telephone number is 571-272-3057. The examiner can normally be reached on M-Th.
